## KSC Safety Procedural Requirements

---

Kennedy NASA Procedural Requirements (KNPR) 8715.3 went through a major reorganization and was divided into three volumes in accordance with applicability. To obtain the appropriate KSC Safety Procedural Requirements, follow the link below that is applicable. If there is any question with regards to which volume should be used, reference the applicable contract or agreement.

1. Volume 1, Safety Procedural Requirements for Civil Servants/NASA Contractors ([KNPR 8715.3-1](#));
2. Volume 2, Safety Procedural Requirements for Partner Organizations Operating in Joint-Use Facilities ([KNPR 8715.3-2](#))
3. Volume 3, Safety Procedural Requirements for Partner Organizations Operating in Exclusive-Use Facilities ([KNPR 8715.3-3](#)).
